I Bianchi di Rex

Colored body porcelain stoneware

Made of fine porcelain stoneware 10 mm thick, with a glossy and natural finish, this series opens a new chapter in the Rex line of products dedicated to natural materials: Having presented tiles inspired by wood, leather and stone, the Rex line now turns its attention to marble. Among the many existing varieties of marble, the most precious and sought-after are the ones that are predominantly white, in Italian bianco.

The line includes 4 shades of white that represent light-coloured marbles and can make any room more exclusive and enveloping.
